Miracle Field League Program Expectations

Welcome to the 2016 Miracle Field League's Summer Baseball program; we are excited to get underway and look forward to a fun and memorable season.

Please take a few moments to read through the following information which will help to maintain the integrity and quality of your athlete's experience. If you have concerns or questions, please feel welcome to contact me at any time via phone to (507) 328-2539 or email to kmeyer@rochestermn.gov

Program Expectations

*Games will begin promptly at the scheduled time, please be considerate of your arrival time.

*We expect parents/guardians/support staff to **stay at the field for the entire game**, if your athlete(s) experiences any type of medical and/or behavioral issues. Although volunteer buddies are provided during games, they are not trained to deal with these types of issues should they occur. **Please stay onsite and do not leave to run errands, etc.**

*Smoking – **is not permitted** at the park at either the Miracle Field or the Watson Fields.

*Make sure your athlete comes to games with **proper attire: their team jersey, proper athletic shoes (cleats are not allowed). Water bottles, hats, sunglasses, and sunscreen are highly encouraged.**

*During game time, **athletes are required to stay on the field and with their teams.** They may leave to get a drink or go to the bathroom: we ask parents and staff to help enforce this policy and not to encourage your athlete to be walking around, etc.

***Unless addressing an urgent situation or helping as buddies, parents/support staff are asked to refrain from entering the field.** Visitors, friends, family, staff are provided benches to sit on outside the field and are welcome to bring lawn chairs otherwise to sit on. Standing along the outside of the fence is permitted as long as it does not block others from seeing.

***Good sportsmanship is expected of all athletes and spectators.** Any unwelcome or disrespectful behavior will result in a verbal warning to stop. If the behavior continues, the individual will be asked to leave the field/premises. Please see the following **Termination Policy**.

Notice of termination will be given to athlete/athlete's representative verbally and in writing upon evidence of emotional, abusive, or dangerous behavior that presents an immediate threat to the health and safety of the client, other clients, or program staff.
